THE CROSSVILLE  
ADVANTAGE

MODERN  
LUXURY

## AN ESTABLISHED PARTNERSHIP

Crossville and Mercedes Benz / USA have been partners for over **18 years**. In that time, Crossville has sold over **3.4 Million SF** of tile in dealerships throughout the US and Canada.

Not only is Crossville's partnership proven with the Mercedes Benz brand, but also across the entire Mercedes Benz network of architects and designers, dealership owner groups, and installers.

# KEY FEATURES

## LUXURY

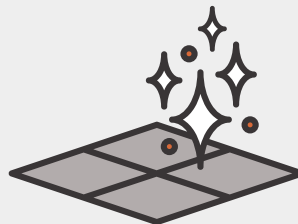

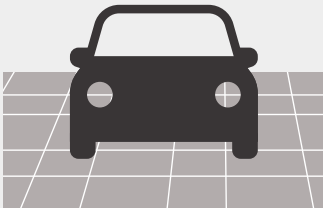

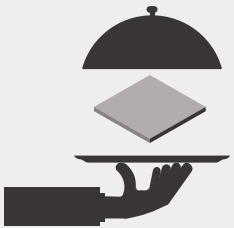

Bespoke tile solutions tailored for Mercedes Benz.

## PERFORMANCE

Manufactured with both high-style and high-performance characteristics. Crossville's Autopavers are engineered specifically for areas of heavy traffic and harsh conditions.

## TECHNOLOGY

Crossville's products are produced with an integrated, graffiti-proof, Cross-Sheen® finish. Our tiles are protected from scuffs, stains, permanent markers, and even graffiti.
